

**REMARKS**

Prior to the examination, please amend the application by renumbering and amending the claims that were amendment in the international application under Article 19 previously, as set forth above. Original claim 1 of the international application was amended under Article 19 to incorporate the limitation of claim 8. Claim 8 was deleted. Claim 13 was added to illustrate the description and results of Examples 2 and 3, which clearly show that topical as well as transdermal delivery systems are part of the invention. The claims were not renumbered, nor amended, to reflect those changes.

Applicants believe that the present claims are in allowable condition, and they solicit an early indication to that effect.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted here, applicants hereby petition for such extension, under 37 CFR § 1.136, and authorize payment of any such extensions fees via Deposit Account No. 19-0741.

Respectfully submitted,
